## Where do you turn when you see no way out?

Lord miraculously freed Israel from slavery in Egypt, they must have been overwhelmed with gratitude at the grace of God. He saw their need, He heard their cries, and He answered by sending Moses to lead them out of slavery.

But then just days later they were led to a place where it seemed they were yet again trapped and doomed to return to slavery. The Egyptians had pursued the Israelites and now had them surrounded at the edge of the Red Sea with no way out. The people were terrified, wishing they had just stayed in slavery rather than face death in the wilderness.

But at this Moses speaks up and declares to the people:

**Ex 14:13-14** *“Fear not, stand firm, and see the salvation of the Lord, which he will work for you today ... The Lord will fight for you, you have only to be still”.*

The Lord led them to the very place where they had no other place to turn, except to Him, for salvation. He led them to the very place where He could yet again display His might, His grace, and His saving power to them.

There are times when the Lord leads us into situations where we feel we have nowhere else to turn. We've experienced His salvation, but we again feel surrounded by the troubles that pursue us. Where everything feels lost, too difficult, perhaps even hopeless. But He does this so that He can, yet again, display His almighty power to us.

Fear not, stand firm, the Lord will fight for you, you have only to be still.
